

Third RSPG Stakeholder Workshop

Hosted by the Agence Nationale des Fréquences (ANFR)

Update on Work Programme for 2016 and beyond

*Crowne Plaza Paris République
10, Place de la République
75011 Paris
France*

*31 March 2017
2pm-5pm (registration from 1.30pm)*

Agenda

The Chairman of RSPG, Philip Marnick, will update on delivery of the 2016 Work Programme and the discussion will be structured under the following headings.

Recent outputs:

Common Vision on EECC, Opinions on IoT and ITS, Interim Opinion on WRC-19

Ongoing work:

5G Second Opinion and next steps
Strategic vision for PMSE
Good Offices and 700 MHz clearance
Peer Review Platform

Collaboration with BEREC:

IoT, Coverage, Spectrum for Innovation

Participants are requested to register by 29 March by emailing secretariat_dpsai@anfr.fr (title: RSPG Stakeholder Workshop) with their name, organisation and telephone number.
