

## **RSPG Virtual Workshop on Radio Spectrum Policy Programme**

13.00-16.30 October 15, 2020

RSPG is actively engaged in drafting an Opinion on a Radio Spectrum Policy Programme (RSPP) targeting the 2025/2030 time horizon and covering various sectors using spectrum and supporting European Union policies.

Five main pillars for this new RSPP are under development; 1) strategic spectrum issues, 2) spectrum supporting EU policies, 3) spectrum governance, 4) external relations and 5) other strategic topics such as Climate Change, EMF, pandemic recovery, media policy.

This workshop will be an opportunity to collect expectations from stakeholders on issues supporting Union policies and to identify possible concrete strategic actions and policy initiatives to be included in the RSPG Opinion on a Radio Spectrum Policy Programme.
